- Sophie Partridge** – Recruitment/Finance Admin

In this brochure you will find information about us and the services we provide and how we can support you.

# About Us....

Stella Care was formed in November 2015 by two passionate carers that wanted to provide quality care with dignity and respect to their customers. As carers ourselves, we understand that working in care can be a demanding but very rewarding job. We always had a vision that all office team would work closely with the carers.

Our office team and manager have many years of knowledge and experience. They have been with us from the beginning and all work in the community alongside the carers.

# *Our carers...*

## **Our carers are responsibly recruited**

As a company we pride ourselves in providing our carers with ongoing support and to continuously appreciate their hard work and dedication, this in turn creates a strong, happy, and caring team that provides our customers with the best care available.

We ensure that all our carers have criminal record checks. Carers complete a 12 week training program including Moving and handling, first aid, Dementia awareness, infection control and safeguarding as well as a shadow shift. Their induction program includes regular checks and ongoing support from our senior lead to help them complete their care certificate. All training is updated yearly.

*Interested in our services...*

**Stella Care Devon provide the highest standards of care and support.**

Stella Care can provide calls to help you maintain your independence so you can remain in your own home.

We cover 24 hours a day, 7 days a week so if you need care day or night we can help.

These calls can be 30 mins or more to suit your requirements.

We care for people age 18yrs plus in Torbay, Kingskerswell and Newton abbot areas

If you are interested in our services there are a few ways to contact us.
